

SEALINK MEDIA RELEASE 13 December 2011

SEALINK SHUTTLE

This summer SeaLink is offering a complimentary shuttle connection between Kennedy Point and Oneroa Village.

“We have set this shuttle service up on a trial basis for seven weeks” said Managing Director Todd Bolton. “By offering this option we are adding value to our customers’ SeaLink experience and giving them the opportunity to enjoy a hassle-free day summer’s day out on Waiheke Island for no extra cost.”

SeaLink’s shuttle service is complimentary on the same day as ferry travel and passengers will be able to get to Kennedy Point and Goldies Vineyards, Oneroa for bus connections to other points on the island or stay in the village and enjoy the shops, galleries, cafes, restaurants and the beach.

The service will operate from Boxing Day until the 6th of February and will run to and from SeaLink* sailings each day starting with the 8:45am arrival and finishing at 6:15pm weekdays and 4:45pm weekends. Bookings are not required and more details can be found on the home page of SeaLink’s website.

“Depending on the success of this trial we will decide whether to invest in an ongoing service for our customers” said Mr Bolton.

* FreightLink services are not included.
