

MEDIA RELEASE 19 MARCH 2010

BUDDING YOUNG HORSEWOMAN SETS SIGHTS HIGH

Waiheke equestrian rider Holly Brown has some lofty goals for a 14 year-old. After a successful season's eventing she has been selected for the NZ Pony Club's Auckland team to ride her horse Ebony Blue at the NZPC Championships mid-April.

Seeing promise in the young rider, Erica Week has been working with Holly to assist her achieve her goals. In doing so she suggested approaching SeaLink and Rotary to assist with sponsorships.

It was a timely request for SeaLink, having last weekend been a silver sponsor of the Onetangi Beach Races (a Rotary fundraiser). They quickly identified the synergy in the relationship and confirmed their sponsorship, as did Waiheke Rotary.

Marketing Manager Jean Goodbrand commented "It is lovely to see such passion and commitment in a young person. Hard work and dedication are critical to her success and she has this in spades."

Holly will be sporting SeaLink and Waiheke Rotary logos on her gear and on her float and can often be seen training on Ebony Blue at Oneroa Beach. "Holly is a great example that with focus and determination, even at 14years old – you can be what you want to be. We hope Waiheke will get behind this young rider and support her wherever possible" said Ms Goodbrand.
