

MEDIA RELEASE – 4th MAY 2009

SEALINK'S HOT SUPERGOLD CAR AND DRIVER DEALS

Ferry operator Sealink has announced a further travel initiative for SuperGold cardholders this winter.

The company is offering a special fare of \$99 for a car and driver when travelling to Waiheke Island during SuperGold travel times.

“Currently the SuperGold transport initiative only applies to walk-on and car passengers, not to the car and driver,” said general manager Donna Gauci “however to see and do more on Waiheke seniors really need to have a car.” Sealink recognises that not everyone wants to just come for the day and for those that want the comfort and flexibility of having their own car on the island this offer makes Waiheke very affordable. “If four people were to pool together, at \$25 each it represents excellent value, whether its for the day or a few days.”

Sealink is also running a winter campaign “Are you free? Because we are!” offering heavily discounted packages for anyone taking their car to the island mid-week. This offer gives two people free travel on the ferry and a third night’s accommodation free. There is also the option of paying for four nights and getting two more for free. “This offer is open to everyone” said Mrs Gauci and it also represents exceptional value to SuperGold cardholders too.”

The SuperGold cardholder special is valid through to August.

The “Are you Free?” deals are on sale from Wednesday 20th May and are valid for travel from 8th June – 26th September 2009.
