

MEDIA RELEASE 13th DECEMBER 2006

SEE MORE OF SCULPTURE ON THE GULF WITH SEALINK

SeaLink is the official carrier of the acclaimed Sculpture on the Gulf, an outdoor exhibition held biannually on Waiheke Island (26 January – 11 February 2007).

The incredible landscape and coastline of Church Bay provides the backdrop to 27 site-specific works created by some of New Zealand's leading artists and the opportunity to view these sculptures provides a great day out for family and friends.

Getting there is easy with SeaLink and to make it even easier they are offering a special travel deal for the duration of the event. Up to four people will travel for free when they take their own car to Waiheke with SeaLink – a saving of \$28.50 per person. Having your own car gives you the freedom to view the exhibition and then explore the island at your leisure.

SeaLink operates up to 12 return sailings a day from Half Moon Bay and is also running a new service from the city on Friday nights and weekends.

For more information visit www.sealink.co.nz or phone (09) 300 5900.
