SEALINK ENHANCES RESIDENTS DEALS

SeaLink have streamlined their Residents' Deals, making the Short Breaks offer more attractive to Waiheke Islanders.

"The Short Breaks Deal has been extended so that travel may commence on any day of the week" said General Manager, Donna Gauci. "Previously this deal was only available on specific days, however now residents can go off-island for up to four nights, departing whenever they choose."

"We are constantly looking for ways to simplify things for our customers" said Ms Gauci "and we believe this change will be well-received by island residents." The popular same day return deal remains unchanged.

SeaLink advises that a minimal increase to the Residents' Deals will apply from 1st June, the last increase having been two years ago. Updated fliers will be delivered to island mailboxes within the next week.
