

# **SEALINK<sup>®</sup>**

## **Important Safety Briefing**

**Welcome aboard this SeaLink vessel.**

In the unlikely event of an emergency, please follow the instructions of your crew.

Lifejackets are located under most seats in vessel main cabins, and in lockers throughout. Please ask a crew member for children's and infants' lifejackets.

Emergency muster stations are located at the forward and back of the vehicle deck.

Face coverings are mandatory on public transport. Please wear a face covering when outside of your vehicle.

The Ministry of Health contact tracing QR codes remain in place in all SeaLink vessels and terminals. Hand sanitiser is also available for you to use.

We recommend everyone continues to practise safe distancing and clean hygiene habits.

If you are feeling unwell, stay home and stay safe. Be kind to one another.

**On behalf of your crew we  
thank you for sailing with  
SeaLink today and, once again,  
Welcome Aboard.**

Please hold on to me for any of  
your future travels with SeaLink.
